

iPad App Recommendations (3-5 years old)

The Fred Rogers Center Early Learning Environment, Ele for short, is an innovative online space where adults can find high quality digital resources that support early literacy and other learning and development for children from birth to age five.

Listed below, you will find links for three *free* interactive apps recommended for your iPad. After you click on the link, please click on the orange button "Go to Activity" to be directed to the iTunes app page.

[Alien Assignment](http://ele.fredrogerscenter.org/activity/alien-assignment?page=1) (free) Alien Assignment is a fun scavenger hunt game that uses the camera on your mobile device. <http://ele.fredrogerscenter.org/activity/alien-assignment?page=1>

[Everyday Grooves](http://ele.fredrogerscenter.org/activity/everyday-grooves?page=1) (free) Everyday Grooves is an iPhone/iPod Touch/iPad app to encourage routines and structure through song. <http://ele.fredrogerscenter.org/activity/everyday-grooves?page=1>

[Go NiNi!](http://ele.fredrogerscenter.org/activity/go-nini?page=1) (free) Help NiNi run, jump, and stay active over the course of a day by choosing from a range of foods! <http://ele.fredrogerscenter.org/activity/go-nini?page=1>
